REGULATIONS relating to the Students at the Senior Department of the Royal Military College.

A CANDIDATE for Admission to the Senior Department of the College must be a Commissioned Officer in the Army, and must have completed the *twenty-first* year of his age. *He must have actually served as a Commissioned Officer with his Regiment for three years abroad, or for four years at home*, unless he should have been reduced to Half-pay before the completion of such period, when his claim will be considered.

His application (addressed to the Governor of the College) must be supported by satisfactory Testimonials as to Character and Conduct; as likewise of his being well grounded in the duties of the particular branch of Service to which he belongs.

These Testimonials must be from the Officer Commanding the Regiment in which he is serving, or, if on Half-pay, from an Officer of Rank in the Service.

Every Candidate will have to undergo an Examination previously to Admission. The Examination will be chiefly in the Elements of Geometry; but if deemed necessary, it will be extended to other elementary parts of Education requisite to qualify him for making progress in the branches of Instruction taught at the College.

All the Students will have the free use, under such Regulations as the Governor may deem necessary, of the Books, Maps, and Plans in the College Library.

The time allowed for the course of Education at the Senior Department is One year from the date of the Admission of each Officer. This period may be prolonged, however, by special permission, obtained through the Governor, from the Commander-in-Chief, when such indulgence appears to be merited.

The number of Students in the Senior Department is at present limited to fifteen.

Each Student pays into the funds of the College such sum annually as has been previously determined by the Board of Commissioners.

The Annual Subscription at present is Thirty Guineas.

Lodging Money is allowed to the Officers of the Senior Department, to procure themselves Lodgings in the vicinity of the College, if not provided with quarters. And Forage Money for one Horse (under the authority of the Collegiate Board) is allowed to such as have made sufficient progress in their Studies to qualify them for sketching in the Field.

Every Officer studying at the Senior Department is required to wear his Uniform with the same strictness as if on duty with his Regiment.

In case any Officer belonging to the Senior Department conducts himself in such manner as may appear to be at all detrimental to the Institution, or holding out a bad Example to the Young Gentlemen of the Junior Department, either by want of application or in other respects, a Report upon his Conduct will be transmitted by the Governor to the Adjutant General, with a view to his being withdrawn from the Institution.

No. 443.

GENERAL ORDER.

HORSE-GUARDS, 27th December, 1826.

HIS Royal Highness the Commander-in-Chief having submitted to the King, that His Majesty may be pleased to take into his consideration the situation and claims of a very meritorious class of officers of the Army, the old Lieutenants, who are unable to purchase Promotion, and whose prospect of advancement may, in many instances, be still very remote; and being desirous of giving effect to some arrangement by which these deserving Individuals shall be rewarded or relieved, without entailing such Charge upon the Public as should render the measure objectionable, His Majesty has been graciously pleased to command,—

That the Lieutenants actually serving upon Full-Pay in Regiments of the Line, whose Commissions are dated in, or previous to the Year 1811, shall be promoted, at

their option, to the Unattached Rank of Captain, and placed upon the old rate of Half-Pay of that Rank; viz. Five Shillings per Diem; and

That they shall be replaced by Lieutenants from the Half-Pay List who are in receipt of Four Shillings per Diem.

That the Widows of the Lieutenants so promoted shall be admitted to the Pensions of Captains' Widows.

That the officers so promoted shall be eligible for employment on Full-Pay as Captains, according to the means which actual vacancies arising from Death, Augmentation, &c. may offer.

That in order to extend the advantage to those who are Seniors of their rank in the several Regiments, without depriving them of their better prospect of promotion, these, and these only, shall, in the event of Companies becoming vacant without purchase within Two Years from their acceptance of the Promotion to the Unattached Rank, be appointed to them, from the Half-Pay, in preference to the next Senior Lieutenant, who, in consequence of the former's acceptance of Promotion under this arrangement, would have become the Senior serving with the Regiment.

That in order to offer greater facility to a Captain on the old rate of Half-Pay to return to Full-Pay, he shall be at liberty to do so, by paying a difference to the Captain on Full-Pay, who may be disposed to retire on the lesser rate. The difference in such case to be fixed at £800, instead of £511, to make up for the difference between the old and the new rate of Half-Pay.

That a further facility shall be afforded to old officers who have been promoted to the Unattached Rank of Captain on the old rate of Half-Pay, by declaring them eligible to be removed to the Full-Pay of vacancies by purchase, where the Candidates in Regimental succession may have no claims to such Promotion: The Young Lieutenant shall then have the option of purchasing the Unattached Company (on account of the officer selling the Regimental Company), provided such young Candidate shall be Senior for purchase in his own Regiment, and shall have completed Two Years effective Regimental Service as Subaltern.

That the young officer, so promoted, shall then pay the increased difference (£800) to get on Full-Pay, the Captain with whom he exchanges taking his place on the old rate of Half-Pay.

The Lieutenants of, and previous to the year 1811, actually serving on Full-Pay in Regiments, who may be desirous of availing themselves of the provisions of this arrangement, will communicate the same through the Commanding officers of their respective Regiments, or Depôts, to the Commander-in-Chief's Military Secretary.

By His Royal Highness
The Commander-in-Chief's Command.
H. TORRENS,
Adjutant General.

No. 453.

GENERAL ORDER.

HORSE-GUARDS, 16th May, 1827.

HIS MAJESTY is graciously pleased to hold out to Half-Pay Officers the following encouragements to become Settlers in New South Wales and Van Dieman's Land, in addition to those detailed in the General Order of the 8th of June last.

Officers of all ranks on Half-Pay are eligible to enjoy the advantages offered by the said General Order, as well as those held out by the present Order, and they shall not be required to sell their Half-Pay, or make any Deposit as Security, the intention being that they shall retain their Half-Pay, and obtain Grants of Land without purchase, subject, however, to the Conditions hereinafter specified; viz.

The remission of Quit Rent shall take place for a certain number of years beyond

Digitized by Google

the average period which is prescribed in the case of ordinary Settlers, according to the following scale:—

Officers who have served Twenty Years and upwards, to be exempted from all Quit Rent.

Officers who have served Fifteen Years and upwards, but short of Twenty Years, to be exempted from Quit Rent for the first Twenty Years.

Officers who have served Ten Years and upwards, but short of Fifteen Years, to be exempted from Quit Rent for the first Fifteen Years.

Officers who have served Seven Years and upwards, but short of Ten Years, to be exempted from Quit Rent for the first Ten Years.

No Officer to be eligible under Seven Years' Service, nor any who cannot produce satisfactory testimonials of good conduct and unquestionable character.

In other respects the Conditions on which the Grants are made, to be similar to those which are now in operation in New South Wales.

The Officer to whom Land is granted shall enter into a boud that he, or his family, shall reside for at least Seven Years in the Settlement, and the Grant shall not be allowed to be sold by him, until he shall be reported to have expended upon it a Capital equal to half its value, as that value was estimated when the Grant was made.

For instance, supposing the Grant to be 200 acres, at the estimated value of 5*s.* per acre, the individual will not be allowed to sell it until he shall be reported to have expended £25 upon it. In the event, however, of his death taking place before the expenditure of Capital already alluded to, the Grant will be continued to his heirs, but subject to the fulfilment of the Conditions under which he himself held the Grant.

The quantity of Land to be received by Officers will be in the same proportion to their Capital, as in the case of ordinary Settlers; but until an accurate valuation has been made of the Lands throughout the Colony, and an average price shall be fixed for each Parish, it is not possible for the Colonial Department to fix the quantity of Land which any individual may be able to obtain in proportion to his Capital.

The quantity of Land to be granted must depend entirely upon the value which that Land, either from local circumstances, or from its peculiar character, may possess; and this, as must be evident, can only be determined in the Colony.

The Officer who may avail himself of this offer, will be required to provide for his own passage, and that of his family, to the Colony.

The ordinary Rates of Passage are the following, as far as can be collected from the best sources of information which have been applied to:—

TO NEW SOUTH WALES.

Cabin	£94	10	0
Steerage	40	0	0

TO VAN DIEMAN'S LAND.

Cabin	£84	0	0
Steerage	35	0	0

Every thing supplied to the Passengers except Bedding. £10 is deducted from Cabin, and £5 from Steerage Passage, in case of a Man and his Wife occupying one Birth.

Children of 14 years pay the same as Adults.

From 9 to 13	two-thirds.
5 to 8	one-half.
2 to 4	one-quarter.

Heavy Goods, £4 per Ton } in the Hold.
Measurement Goods, £5 do. }

By His Majesty's Command.

HENRY TORRENS, Adjutant General.

Warrant relative to Passage Allowances.—Dated 22d June, 1827.

GEORGE R.

WHEREAS We have thought it expedient to take into consideration the Inadequacy of the present Allowances of Passage Money granted to Officers of Our Land Forces, when proceeding upon and returning from Foreign Service, as well as to consolidate the several Rules and Regulations under which Passage Allowances are granted, Our Will and Pleasure is, that this Our Warrant shall henceforward be the sole Regulation on this Head; and that Allowances according to the annexed Scale A, shall be granted, under the following Rules, to Officers of Our Land Forces who cannot be accommodated with Passages in any Vessel engaged by a Public Department.

These Allowances will be granted to Officers proceeding to join their Regiments Abroad, or coming Home on Duty; but not to Officers coming Home on Leave of Absence, or returning to their Station Abroad, after the expiration of such Leave; unless such Officers shall have returned Home on account of Ill Health, and upon the Recommendation of a Board of Medical Officers; in which case, they shall receive Passage Allowances for the Voyage Home according to their respective Regimental Ranks, on the production of the Documents mentioned in the Schedules B, C, and D, annexed hereto; and a similar Allowance, or a Passage in a Government Vessel, shall, in such case, be afforded them when they return to their Station.

It is Our further Will and Pleasure, that when Officers of Our Land Forces proceed to Foreign Stations in Freight Ships, under Circumstances entitling them to a Passage at the Public Expense, they shall be provided with a proper Mess by the Captain of the Freight Ship; and the Captain shall receive, on account of each Officer, for the Cost of such Mess, the Sum specified in Schedule E, Column 1, according to the Place of Destination; and the Amount to be paid to the Captain shall be defrayed by the Officer, and by the Public, in the proportions specified in Columns 2 and 3 of the said Schedule.

If an Officer, for whom a Passage has been ordered on board a Freight Ship, shall fail to embark, One-fourth of the Amount, receivable by the Captain, as by Column No. 1, for the Expense of the Officer's Mess during the Voyage, shall be paid by the Officer to the Captain, to reimburse the Captain for the Expenses incurred by him in making Provision for the Officer's Mess; unless the Officer shall have given the Captain sufficient Notice of his change of Intention, so as to prevent the Captain from making such Provision; and the Officer will not be relieved from this Payment, unless his change of Destination shall have taken place by Order, and for the Convenience of the Service, or unless another Officer shall Embark in his Place; in the former case the Amount paid by the Officer, whose Destination is so changed, shall be allowed to him by the Public; and in the latter case, that Amount shall be considered as paid

to the Captain on account of the Second Officer so substituted, and shall be repaid by him to the First Officer.

The Allowance of Passage Money to and from Stations Abroad (excepting the Territorial Possessions of the East India Company) will be paid by the Commissioners of Our Navy, upon the Recommendation of Our Secretary at War.

It is Our further Will and Pleasure, that Officers of Our Land Forces belonging to Regiments in India, or employed on the Staff on that Station, who may proceed to, or return from that country on board the Ships of the East India Company, shall be entitled to Passage Allowances in conformity to the annexed Scale F, if embarking for, or returning from India, under any of the following Cases:—

1. If attached to, and proceeding with their Regiment, on its Embarkation for India.
2. If proceeding afterwards to India to fill up the Complement of the Regiment, that Number not having been complete at the time of the Embarkation of the Corps.
3. If ordered to India to fill up Vacancies occasioned there by Death, Promotion, Resignation, Dismissal, or Removal from one Regiment to another upon that Station; or by the Resignation of an Officer who has returned Home from India on account of Ill Health.
4. If appointed to any of the following Situations on the Staff in India, upon the First Establishment of those Appointments; or if sent out to fill Vacancies in previously existing Appointments, provided those Vacancies shall have been occasioned by Death, Resignation, Removal in consequence of Promotion, or by Dismissal:—

   Major-General on the Staff.
   Adjutant General.
   Quarter-Master-General.
   Deputy-Adjutant-General.
   Deputy-Quarter-Master-General.
   Aides-de-Camp to the Commanders-in-Chief at the Three Presidencies, or to General Officers on the Staff.

5. If returning to India, after having been ordered to England on Public Duty which absolutely required their presence; the Case having been attested to the satisfaction of the Governor in Council of the Presidency to which such Officers were attached; but in no Case if returning to India after Leave of Absence, except as provided for in following Article 6.
6. If returning to their Regiments in India, in charge of Recruits or Drafts, after the expiration of Leave of Absence on account of Ill Health.
7. If returning to England in consequence of the Regiment to which the Officer belongs being removed from India.
8. If returning to England on account of Ill Health, certified to the Governor in Council of the Presidency to which the Officer may be attached, provided the Officer be not above the Rank of Subaltern.
9. If ordered to England on Courts Martial, or any other Public Duty on which their presence is absolutely necessary; on the Case being attested to the satisfaction of the Governor in Council of the Presidency to which the Officer may be attached.

Provided always that every Officer appointed to the Staff in India, or as Aide-de-Camp to any Commander-in-Chief, or General Officer on the Staff, who may have drawn the Allowance for his Passage, and may afterwards, from any cause whatever, decline proceeding to his Station, is to refund the Amount received by him.

Given at Our Court of St. James's this 22d Day of June, One Thousand Eight Hundred and Twenty-seven, in the Eighth Year of Our Reign.

By His Majesty's Command.
PALMERSTON.

REGULATIONS relating to the Students at the Senior Department of the Royal Military College.

A CANDIDATE for Admission to the Senior Department of the College must be a Commissioned Officer in the Army, and must have completed the *twenty-first* year of his age. *He must have actually served as a Commissioned Officer with his Regiment for three years abroad, or for four years at home,* unless he should have been reduced to Half-pay before the completion of such period, when his claim will be considered.

His application (addressed to the Governor of the College) must be supported by satisfactory Testimonials as to Character and Conduct; as likewise of his being well grounded in the duties of the particular branch of Service to which he belongs.

These Testimonials must be from the Officer Commanding the Regiment in which he is serving, or, if on Half-pay, from an Officer of Rank in the Service.

Every Candidate will have to undergo an Examination previously to Admission. The Examination will be chiefly in the Elements of Geometry; but if deemed necessary, it will be extended to other elementary parts of Education requisite to qualify him for making progress in the branches of Instruction taught at the College.

All the Students will have the free use, under such Regulations as the Governor may deem necessary, of the Books, Maps, and Plans in the College Library.

The time allowed for the course of Education at the Senior Department is One year from the date of the Admission of each Officer. This period may be prolonged, however, by special permission, obtained through the Governor, from the Commander-in-Chief, when such indulgence appears to be merited.

The number of Students in the Senior Department is at present limited to fifteen.

Each Student pays into the funds of the College such sum annually as has been previously determined by the Board of Commissioners.

The Annual Subscription at present is Thirty Guineas.

Lodging Money is allowed to the Officers of the Senior Department, to procure themselves Lodgings in the vicinity of the College, if not provided with quarters. And Forage Money for one Horse (under the authority of the Collegiate Board) is allowed to such as have made sufficient progress in their Studies to qualify them for sketching in the Field.

Every Officer studying at the Senior Department is required to wear his Uniform with the same strictness as if on duty with his Regiment.

In case any Officer belonging to the Senior Department conducts himself in such manner as may appear to be at all detrimental to the Institution, or holding out a bad Example to the Young Gentlemen of the Junior Department, either by want of application or in other respects, a Report upon his Conduct will be transmitted by the Governor to the Adjutant General, with a view to his being withdrawn from the Institution.

No. 443

GENERAL ORDER.

HORSE-GUARDS, 27th December, 1826.

HIS Royal Highness the Commander-in-Chief having submitted to the King, that His Majesty may be pleased to take into his consideration the situation and claims of a very meritorious class of officers of the Army, the old Lieutenants, who are unable to purchase Promotion, and whose prospect of advancement may, in many instances, be still very remote; and being desirous of giving effect to some arrangement by which these deserving Individuals shall be rewarded or relieved, without entailing such Charge upon the Public as should render the measure objectionable, His Majesty has been graciously pleased to command,—

That the Lieutenants actually serving upon Full-Pay in Regiments of the Line, whose Commissions are dated in, or previous to the Year 1811, shall be promoted, at

their option, to the Unattached Rank of Captain, and placed upon the old rate of Half-Pay of that Rank; viz. Five Shillings per Diem; and

That they shall be replaced by Lieutenants from the Half-Pay List who are in receipt of Four Shillings per Diem.

That the Widows of the Lieutenants so promoted shall be admitted to the Pensions of Captains' Widows.

That the officers so promoted shall be eligible for employment on Full-Pay as Captains, according to the means which actual vacancies arising from Death, Augmentation, &c. may offer.

That in order to extend the advantage to those who are Seniors of their rank in the several Regiments, without depriving them of their better prospect of promotion, these, and these only, shall, in the event of Companies becoming vacant without purchase within Two Years from their acceptance of the Promotion to the Unattached Rank, be appointed to them, from the Half-Pay, in preference to the next Senior Lieutenant, who, in consequence of the former's acceptance of Promotion under this arrangement, would have become the Senior serving with the Regiment.

That in order to offer greater facility to a Captain on the old rate of Half-Pay to return to Full-Pay, he shall be at liberty to do so, by paying a difference to the Captain on Full-Pay, who may be disposed to retire on the lesser rate. The difference in such case to be fixed at £800, instead of £511, to make up for the difference between the old and the new rate of Half-Pay.

That a further facility shall be afforded to old officers who have been promoted to the Unattached Rank of Captain on the old rate of Half-Pay, by declaring them eligible to be removed to the Full-Pay of vacancies by purchase, where the Candidates in Regimental succession may have no claims to such Promotion. The Young Lieutenant shall then have the option of purchasing the Unattached Company (on account of the officer selling the Regimental Company), provided such young Candidate shall be Senior for purchase in his own Regiment, and shall have completed Two Years effective Regimental Service as Subaltern.

That the young officer, so promoted, shall then pay the increased difference (£800) to get on Full-Pay, the Captain with whom he exchanges taking his place on the old rate of Half-Pay.

The Lieutenants of, and previous to the year 1811, actually serving on Full-Pay in Regiments, who may be desirous of availing themselves of the provisions of this arrangement, will communicate the same through the Commanding officers of their respective Regiments, or Depôts, to the Commander-in-Chief's Military Secretary.

By His Royal Highness
The Commander-in-Chief's Command.
H. TORRENS,
Adjutant General.

No. 4985.

Warrant relative to Passage Allowances.—Dated 22d June, 1827.

GEORGE R.

WHEREAS We have thought it expedient to take into consideration the Inadequacy of the present Allowances of Passage Money granted to Officers of Our Land Forces, when proceeding upon and returning from Foreign Service, as well as to consolidate the several Rules and Regulations under which Passage Allowances are granted, Our Will and Pleasure is, that this Our Warrant shall henceforward be the sole Regulation on this Head; and that Allowances according to the annexed Scale A, shall be granted, under the following Rules, to Officers of Our Land Forces who cannot be accommodated with Passages in any Vessel engaged by a Public Department.

These Allowances will be granted to Officers proceeding to join their Regiments Abroad, or coming Home on Duty; but not to Officers coming Home on Leave of Absence, or returning to their Station Abroad, after the expiration of such Leave; unless such Officers shall have returned Home on account of Ill Health, and upon the Recommendation of a Board of Medical Officers; in which case, they shall receive Passage Allowances for the Voyage Home according to their respective Regimental Ranks, on the production of the Documents mentioned in the Schedules B, C, and D, annexed hereto; and a similar Allowance, or a Passage in a Government Vessel, shall, in such case, be afforded them when they return to their Station.

Digitized by Google

It is Our further Will and Pleasure, that when Officers of Our Land Forces proceed to Foreign Stations in Freight Ships, under Circumstances entitling them to a Passage at the Public Expense, they shall be provided with a proper Mess by the Captain of the Freight Ship; and the Captain shall receive, on account of each Officer, for the Cost of such Mess, the Sum specified in Schedule E, Column 1, according to the Place of Destination; and the Amount to be paid to the Captain shall be defrayed by the Officer, and by the Public, in the proportions specified in Columns 2 and 3 of the said Schedule.

If an Officer, for whom a Passage has been ordered on board a Freight Ship, shall fail to embark, One-fourth of the Amount, receivable by the Captain, as by Column No. 1, for the Expense of the Officer's Mess during the Voyage, shall be paid by the Officer to the Captain, to reimburse the Captain for the Expenses incurred by him in making Provision for the Officer's Mess; unless the Officer shall have given the Captain sufficient Notice of his change of Intention, so as to prevent the Captain from making such Provision; and the Officer will not be relieved from this Payment, unless his change of Destination shall have taken place by Order, and for the Convenience of the Service, or unless another Officer shall Embark in his Place; in the former case the Amount paid by the Officer, whose Destination is so changed, shall be allowed to him by the Public; and in the latter case, that Amount shall be considered as paid to the Captain on account of the Second Officer so substituted, and shall be repaid by him to the First Officer.

The Allowance of Passage Money to and from Stations Abroad (excepting the Territorial Possessions of the East India Company) will be paid by the Commissioners of Our Navy, upon the Recommendation of Our Secretary at War.

It is Our further Will and Pleasure, that Officers of Our Land Forces belonging to Regiments in India, or employed on the Staff on that Station, who may proceed to, or return from that country on board the Ships of the East India Company, shall be entitled to Passage Allowances in conformity to the annexed Scale F, if embarking for, or returning from India, under any of the following Cases:—

1. If attached to, and proceeding with their Regiment, on its Embarkation for India.
2. If proceeding afterwards to India to fill up the Complement of the Regiment, that Number not having been complete at the time of the Embarkation of the Corps.

REGULATIONS relating to the Students at the Senior Department of the Royal Military College.

A CANDIDATE for Admission to the Senior Department of the College must be a Commissioned Officer in the Army, and must have completed the *twenty-first* year of his age. *He must have actually served as a Commissioned Officer with his Regiment for three years abroad, or for four years at home,* unless he should have been reduced to Half-pay before the completion of such period, when his claim will be considered.

His application (addressed to the Governor of the College) must be supported by satisfactory Testimonials as to Character and Conduct; as likewise of his being well grounded in the duties of the particular branch of Service to which he belongs.

These Testimonials must be from the Officer Commanding the Regiment in which he is serving, or, if on Half-pay, from an Officer of Rank in the Service.

Every Candidate will have to undergo an Examination previously to Admission. The Examination will be chiefly in the Elements of Geometry; but if deemed necessary, it will be extended to other elementary parts of Education requisite to qualify him for making progress in the branches of Instruction taught at the College.

All the Students will have the free use, under such Regulations as the Governor may deem necessary, of the Books, Maps, and Plans in the College Library.

The time allowed for the course of Education at the Senior Department is One year from the date of the Admission of each Officer. This period may be prolonged, however, by special permission, obtained through the Governor, from the Commander-in-Chief, when such indulgence appears to be merited.

The number of Students in the Senior Department is at present limited to fifteen.

Each Student pays into the funds of the College such sum annually as has been previously determined by the Board of Commissioners.

GENERAL ORDER.

HORSE-GUARDS, 27th December, 1826.

HIS Royal Highness the Commander-in-Chief having submitted to the King, that His Majesty may be pleased to take into his consideration the situation and claims of a very meritorious class of officers of the Army, the old Lieutenants, who are unable to purchase Promotion, and whose prospect of advancement may, in many instances, be still very remote; and being desirous of giving effect to some arrangement by which these deserving Individuals shall be rewarded or relieved, without entailing such Charge upon the Public as should render the measure objectionable, His Majesty has been graciously pleased to command,—

That the Lieutenants actually serving upon Full-Pay in Regiments of the Line, whose Commissions are dated in, or previous to the Year 1811, shall be promoted, at their option, to the Unattached Rank of Captain, and placed upon the old rate of Half-Pay of that Rank; viz. Five Shillings per Diem; and

That they shall be replaced by Lieutenants from the Half-Pay List who are in receipt of Four Shillings per Diem.

That the Widows of the Lieutenants so promoted shall be admitted to the Pensions of Captains' Widows.

That the officers so promoted shall be eligible for employment on Full-Pay as Captains, according to the means which actual vacancies arising from Death, Augmentation, &c. may offer.

That in order to extend the advantage to those who are Seniors of their rank in the several Regiments, without depriving them of their better prospect of promotion, these, and these only, shall, in the event of Companies becoming vacant without purchase within Two Years from their acceptance of the Promotion to the Unattached Rank, be appointed to them, from the Half-Pay, in preference to the next Senior Lieutenant, who, in consequence of the former's acceptance of Promotion under this arrangement, would have become the Senior serving with the Regiment.

That in order to offer greater facility to a Captain on the old rate of Half-Pay to return to Full-Pay, he shall be at liberty to do so, by paying a difference to the Captain on Full-Pay, who may be disposed to retire on the lesser rate. The difference in such case to be fixed at £800, instead of £511, to make up for the difference between the old and the new rate of Half-Pay.

That a further facility shall be afforded to old officers who have been promoted to the Unattached Rank of Captain on the old rate of Half-Pay, by declaring them eligible to be removed to the Full-Pay of vacancies by purchase, where the Candidates in Regimental succession may have no claims to such Promotion. The Young Lieutenant shall then have the option of purchasing the Unattached Company (on account of the

officer selling the Regimental Company), provided such young Candidate shall be Senior for purchase in his own Regiment, and shall have completed Two Years effective Regimental Service as Subaltern.

That the young officer, so promoted, shall then pay the increased difference (£800) to get on Full-Pay, the Captain with whom he exchanges taking his place on the old rate of Half-Pay.

The Lieutenants of, and previous to the year 1811, actually serving on Full-Pay in Regiments, who may be desirous of availing themselves of the provisions of this arrangement, will communicate the same through the Commanding officers of their respective Regiments, or Depôts, to the Commander-in-Chief's Military Secretary.

By His Royal Highness
The Commander-in-Chief's Command.
H. TORRENS,
Adjutant General.

MEMORANDUM.

WAR-OFFICE, 30*th June*, 1827.

CAPTAINS on Half-Pay, who are desirous of becoming Candidates for Regimental Paymasterships, should send their applications to the Secretary at War, accompanied by proper testimonials and references as to Character and Eligibility.

MEMORANDUM,

ARMY PAY OFFICE, 19*th July*, 1827.

Notice to Officers upon Half-Pay.

MANY Officers upon Half-Pay continuing to execute an incorrect form of affidavit, notice is hereby given, that every Officer on Half-Pay is required to state in his Affidavit, "*that he is not in Holy Orders*;" and that the form stating, "*that he has not entered into Holy Orders since 24th June*, 1824," will be rejected from the termination of the present Quarter's issue of Half-Pay.

MEMORANDUM.

WAR-OFFICE, 28*th July*, 1827.

THE Secretary at War hereby acknowledges the receipt of an anonymous letter, dated "London, 27th July, 1827," enclosing a Bank of England note for Five Pounds, dated 30th June, 1827, and numbered, 13,321, and in which Letter it is requested, that it might be credited to the Public, "being the amount of an error in the Regimental Accounts of the Writer." The Secretary at War has therefore paid the said sum into the Bank of England, to the Account of the Paymaster General of the Army.

GENERAL ORDER.

HORSE-GUARDS, 24*th August*, 1827.

HIS MAJESTY being desirous of holding out further encouragement to Officers on Half Pay, to become Settlers in New South Wales and Van Dieman's Land, has been pleased, in reference to the General Orders of the 8th June, 1826, and 16th May, 1827, to command, that the following additional inducements shall be promulgated to the Army, for the information of those Officers who may be disposed to avail themselves of the benefit of this arrangement.

All Officers on Half Pay, who purchased and were reduced, whatever may have been the period of their Service, or Officers on Half Pay who did not purchase, but who, after having served Twenty Years, half of which on Full Pay, have been reduced, or have retired to Half Pay on account of Wounds or impaired Health, shall be exempted from that part of the Regulation contained in the General Order of the 8th June, 1826, which requires the Officer to relinquish one-third of the value of his Commission to the Crown, and shall be allowed to receive the full value of such Commission, in the same manner as Officers on Full Pay, who having purchased their Commissions, or having served Twenty Years, are desirous of selling out for the same object.

His Majesty has further been pleased to command, that this advantage shall be extended to Officers of all ranks, whether on Full Pay, Retired Full Pay, or Half Pay; but that, in the two latter Classes, all Sales shall be subjected to the conditions and restrictions established by the General Order of the 2nd May, 1825, notwithstanding that a large portion of the Officers on Half Pay would be excluded thereby from Sale: and in order that the Government may have full security for the appropriation of the Sums produced by the Sale of Commissions to the intended purpose, it is His Majesty's Command, that the Agent to whom the Purchase Money be paid shall be instructed to retain in his Hands one-third of the Amount in each case, to be paid to the Officer who proposes to emigrate, and who shall have obtained permission to dispose of his Commission, or his Half Pay, with that view, upon his producing to the Agent a Certificate, signed by the Master of the Vessel, that he has engaged his passage on board such Vessel for the purpose of proceeding direct to the Colony.

By His Majesty's Command.

HENRY TORRENS, Adjutant General.

GENERAL ORDER.

HORSE-GUARDS, 15th September, 1827.

AS the Regulations and Practice of the Service do not authorize Officers of the Medical and Commissariat Staff to employ Soldiers as their Servants, and very great inconvenience has been found to result from any extension of such Indulgence beyond the limits sanctioned by Custom, and fixed by Regulation, the Commander-in-Chief directs, that from henceforward, no Soldier, whether belonging to Invalid or Veteran Companies, or Regiments of the Line, may be permitted to be employed as a Servant to any Officer on the Medical or Commissariat Staff.

By Command of His Grace

The Commander-in-Chief.

HENRY TORRENS, Adjutant General.

Extracted from the Dublin Gazette.

DUBLIN CASTLE, 14th September, 1827.

"An Officer obtaining a Commission in any Corps of Cavalry or Infantry of the Line, or Fencible Corps, is to be charged with the Fees thereof by the Regimental or District Paymaster, or by the Agent, accordingly as he shall commence receiving the Pay of his new appointment from the one or the other. Where the Fees, or a proportion thereof, shall have been received by the Paymaster, *he is immediately to remit the same to the Agent.*

"Should the Paymaster, or Agent, by whom the Officer's Pay shall have been first issued, cease to issue the same previously to the payment of the full amount of the said Fees, he is immediately to signify what proportion thereof shall have remained unpaid, to the Paymaster, or Agent, by whom the Officer's Pay is likely to be issued in future; who is to receive the same accordingly, and to remit it to the Agent by whom the Fees shall have been paid."—*Vide Collection of Regulations, dated "War Office, 25th April, 1807," page 168.*

REGULATIONS relating to the Students at the Senior Department of the Royal Military College.

A CANDIDATE for Admission to the Senior Department of the College must be a Commissioned Officer in the Army, and must have completed the *twenty-first* year of his age. *He must have actually served as a Commissioned Officer with his Regiment for three years abroad, or for four years at home,* unless he should have been reduced to Half-pay before the completion of such period, when his claim will be considered.

His application (addressed to the Governor of the College) must be supported by satisfactory Testimonials as to Character and Conduct; as likewise of his being well grounded in the duties of the particular branch of Service to which he belongs.

These Testimonials must be from the Officer Commanding the Regiment in which he is serving, or, if on Half-pay, from an Officer of Rank in the Service.

Every Candidate will have to undergo an Examination previously to Admission. The Examination will be chiefly in the Elements of Geometry; but if deemed necessary, it will be extended to other elementary parts of Education requisite to qualify him for making progress in the branches of Instruction taught at the College.

All the Students will have the free use, under such Regulations as the Governor may deem necessary, of the Books, Maps, and Plans in the College Library.

The time allowed for the course of Education at the Senior Department is One year from the date of the Admission of each Officer. This period may be prolonged, however, by special permission, obtained through the Governor, from the Commander-in-Chief, when such indulgence appears to be merited.

The number of Students in the Senior Department is at present limited to fifteen.

Each Student pays into the funds of the College such sum annually as has been previously determined by the Board of Commissioners.

The Annual Subscription at present is Thirty Guineas.

Lodging Money is allowed to the Officers of the Senior Department, to procure themselves Lodgings in the vicinity of the College, if not provided with quarters. And Forage Money for one Horse (under the authority of the Collegiate Board) is allowed to such as have made sufficient progress in their Studies to qualify them for sketching in the Field.

Every Officer studying at the Senior Department is required to wear his Uniform with the same strictness as if on duty with his Regiment.

In case any Officer belonging to the Senior Department conducts himself in such manner as may appear to be at all detrimental to the Institution, or holding out a bad Example to the Young Gentlemen of the Junior Department, either by want of application or in other respects, a Report upon his Conduct will be transmitted by the Governor to the Adjutant General, with a view to his being withdrawn from the Institution.

No. 843.

GENERAL ORDER.

HORSE-GUARDS, 4th December, 1826.

HIS Royal Highness the Commander-in-Chief having submitted to the King, that His Majesty may be pleased to take into his consideration the situation and claims of a very meritorious class of officers of the Army, the old Lieutenants, who are unable to purchase Promotion, and whose prospect of advancement may, in many instances, be still very remote; and being desirous of giving effect to some arrangement by which these deserving Individuals shall be rewarded or relieved, without entailing such Charge upon the Public as should render the measure objectionable, His Majesty has been graciously pleased to command,—

That the Lieutenants actually serving upon Full-Pay in Regiments of the Line, whose Commissions are dated in, or previous to the Year 1811, shall be promoted, at

their option, to the Unattached Rank of Captain, and placed upon the old rate of Half-Pay of that Rank; viz. Five Shillings per Diem; and

That they shall be replaced by Lieutenants from the Half-Pay List who are in receipt of Four Shillings per Diem.

That the Widows of the Lieutenants so promoted shall be admitted to the Pensions of Captains' Widows.

That the officers so promoted shall be eligible for employment on Full-Pay as Captains, according to the means which actual vacancies arising from Death, Augmentation, &c. may offer.

That in order to extend the advantage to those who are Seniors of their rank in the several Regiments, without depriving them of their better prospect of promotion, these, and these only, shall, in the event of Companies becoming vacant without purchase within Two Years from their acceptance of the Promotion to the Unattached Rank, be appointed to them, from the Half-Pay, in preference to the next Senior Lieutenant, who, in consequence of the former's acceptance of Promotion under this arrangement, would have become the Senior serving with the Regiment.

That in order to offer greater facility to a Captain on the old rate of Half-Pay to return to Full-Pay, he shall be at liberty to do so, by paying a difference to the Captain on Full-Pay, who may be disposed to retire on the lesser rate. The difference in such case to be fixed at £800, instead of £511, to make up for the difference between the old and the new rate of Half-Pay.

That a further facility shall be afforded to old officers who have been promoted to the Unattached Rank of Captain on the old rate of Half-Pay, by declaring them eligible to be removed to the Full-Pay of vacancies by purchase, where the Candidates in Regimental succession may have no claims to such Promotion. The Young Lieutenant shall then have the option of purchasing the Unattached Company (on account of the officer selling the Regimental Company), provided such young Candidate shall be Senior for purchase in his own Regiment, and shall have completed Two Years effective Regimental Service as Subaltern.

That the young officer, so promoted, shall then pay the increased difference (£800) to get on Full-Pay, the Captain with whom he exchanges taking his place on the old rate of Half-Pay.

The Lieutenants of, and previous to the year 1811, actually serving on Full-Pay in Regiments, who may be desirous of availing themselves of the provisions of this arrangement, will communicate the same through the Commanding officers of their respective Regiments, or Depôts, to the Commander-in-Chief's Military Secretary.

By His Royal Highness
The Commander-in-Chief's Command.
H. TORRENS,
Adjutant General.

MEMORANDUM.

WAR-OFFICE, 30th June, 1827.

CAPTAINS on Half-Pay, who are desirous of becoming Candidates for Regimental Paymasterships, should send their applications to the Secretary at War, accompanied by proper testimonials and references as to Character and Eligibility.

No. 456.

GENERAL ORDER.

HORSE-GUARDS, 24th August, 1827.

HIS MAJESTY being desirous of holding out further encouragement to Officers on Half Pay, to become Settlers in New South Wales and Van Dieman's Land, has been pleased, in reference to the General Orders of the 8th June, 1826, and 16th May, 1827, to command, that the following additional inducements shall be promulgated to the

Army, for the information of those Officers who may be disposed to avail themselves of the benefit of this arrangement.

All Officers on Half Pay, who purchased and were reduced, whatever may have been the period of their Service, or Officers on Half Pay who did not purchase, but who, after having served Twenty Years, half of which on Full Pay, have been reduced, or have retired to Half Pay on account of Wounds or impaired Health, shall be exempted from that part of the Regulation contained in the General Order of the 8th June, 1826, which requires the Officer to relinquish one-third of the value of his Commission to the Crown, and shall be allowed to receive the full value of such Commission, in the same manner as Officers on Full Pay, who having purchased their Commissions, or having served Twenty Years, are desirous of selling out for the same object.

His Majesty has further been pleased to command, that this advantage shall be extended to Officers of all ranks, whether on Full Pay, Retired Full Pay, or Half Pay; but that, in the two latter Classes, all Sales shall be subjected to the conditions and restrictions established by the General Order of the 2nd May, 1825, notwithstanding that a large portion of the Officers on Half Pay would be excluded thereby from Sale: and in order that the Government may have full security for the appropriation of the Sums produced by the Sale of Commissions to the intended purpose, it is His Majesty's Command, that the Agent to whom the Purchase Money be paid shall be instructed to retain in his Hands one-third of the Amount in each case, to be paid to the Officer who proposes to emigrate, and who shall have obtained permission to dispose of his Commission, or his Half Pay, with that view, upon his producing to the Agent a Certificate, signed by the Master of the Vessel, that he has engaged his passage on board such Vessel for the purpose of proceeding direct to the Colony.

By His Majesty's Command.

HENRY TORRENS, Adjutant General.

GENERAL ORDER.

HORSE-GUARDS, 15th September, 1827.

AS the Regulations and Practice of the Service do not authorize Officers of the Medical and Commissariat Staff to employ Soldiers as their Servants, and very great inconvenience has been found to result from any extension of such Indulgence beyond the limits sanctioned by Custom, and fixed by Regulation, the Commander-in-Chief directs, that from henceforward, no Soldier, whether belonging to Invalid or Veteran Companies, or Regiments of the Line, may be permitted to be employed as a Servant to any Officer on the Medical or Commissariat Staff.

By Command of His Grace

The Commander-in-Chief.

HENRY TORRENS, Adjutant General.

Extracted from the Dublin Gazette.

DUBLIN CASTLE, 14th September, 1827.

REGULATIONS relating to the Students at the Senior Department of the Royal Military College.

A CANDIDATE for Admission to the Senior Department of the College must be a Commissioned Officer in the Army, and must have completed the *twenty-first* year of his age. ***He must have actually served as a Commissioned Officer with his Regiment for three years abroad, or for four years at home,*** unless he should have been reduced to Half-pay before the completion of such period, when his claim will be considered.

His application (addressed to the Governor of the College) must be supported by satisfactory Testimonials as to Character and Conduct; as likewise of his being well grounded in the duties of the particular branch of Service to which he belongs.

These Testimonials must be from the Officer Commanding the Regiment in which he is serving, or, if on Half-pay, from an Officer of Rank in the Service.

Every Candidate will have to undergo an Examination previously to Admission. The Examination will be chiefly in the Elements of Geometry; but if deemed necessary, it will be extended to other elementary parts of Education requisite to qualify him for making progress in the branches of Instruction taught at the College.

All the Students will have the free use, under such Regulations as the Governor may deem necessary, of the Books, Maps, and Plans in the College Library.

The time allowed for the course of Education at the Senior Department is One year from the date of the Admission of each Officer. This period may be prolonged, however, by special permission, obtained through the Governor, from the Commander-in-Chief, when such indulgence appears to be merited.

The number of Students in the Senior Department is at present limited to fifteen.

Each Student pays into the funds of the College such sum annually as has been previously determined by the Board of Commissioners.

The Annual Subscription at present is Thirty Guineas.

Lodging Money is allowed to the Officers of the Senior Department, to procure themselves Lodgings in the vicinity of the College, if not provided with quarters. And Forage Money for one Horse (under the authority of the Collegiate Board) is allowed to such as have made sufficient progress in their Studies to qualify them for sketching in the Field.

Every Officer studying at the Senior Department is required to wear his Uniform with the same strictness as if on duty with his Regiment.

In case any Officer belonging to the Senior Department conducts himself in such manner as may appear to be at all detrimental to the Institution, or holding out a bad Example to the Young Gentlemen of the Junior Department, either by want of application or in other respects, a Report upon his Conduct will be transmitted by the Governor to the Adjutant General, with a view to his being withdrawn from the Institution.

No. 443.

GENERAL ORDER.

HORSE-GUARDS, 27th December, 1826.

HIS Royal Highness the Commander-in-Chief having submitted to the King, that His Majesty may be pleased to take into his consideration the situation and claims of a very meritorious class of officers of the Army, the old Lieutenants, who are unable to purchase Promotion, and whose prospect of advancement may, in many instances, be still very remote; and being desirous of giving effect to some arrangement by which these deserving Individuals shall be rewarded or relieved, without entailing such Charge upon the Public as should render the measure objectionable, His Majesty has been graciously pleased to command,—

That the Lieutenants actually serving upon Full-Pay in Regiments of the Line, whose Commissions are dated in, or previous to the Year 1811, shall be promoted, at their option, to the Unattached Rank of Captain, and placed upon the old rate of Half-Pay of that Rank; viz. Five Shillings per Diem; and

That they shall be replaced by Lieutenants from the Half-Pay List who are in receipt of Four Shillings per Diem.

That the Widows of the Lieutenants so promoted shall be admitted to the Pensions of Captains' Widows.

That the officers so promoted shall be eligible for employment on Full-Pay as Captains, according to the means which actual vacancies arising from Death, Augmentation, &c. may offer.

That in order to extend the advantage to those who are Seniors of their rank in the several Regiments, without depriving them of their better prospect of promotion, these, and these only, shall, in the event of Companies becoming vacant without purchase within Two Years from their acceptance of the Promotion to the Unattached Rank, be appointed to them, from the Half-Pay, in preference to the next Senior Lieutenant, who, in consequence of the former's acceptance of Promotion under this arrangement, would have become the Senior serving with the Regiment.

That in order to offer greater facility to a Captain on the old rate of Half-Pay to return to Full-Pay, he shall be at liberty to do so, by paying a difference to the Captain on Full-Pay, who may be disposed to retire on the lesser rate. The difference in such case to be fixed at £800, instead of £511, to make up for the difference between the old and the new rate of Half-Pay.

That a further facility shall be afforded to old officers who have been promoted to the Unattached Rank of Captain on the old rate of Half-Pay, by declaring them eligible to be removed to the Full-Pay of vacancies by purchase, where the Candidates in Regimental succession may have no claims to such Promotion. The Young Lieutenant shall then have the option of purchasing the Unattached Company (on account of the officer selling the Regimental Company), provided such young Candidate shall be

Senior for purchase in his own Regiment, and shall have completed Two Years effective Regimental Service as Subaltern.

That the young officer, so promoted, shall then pay the increased difference (£800) to get on Full-Pay, the Captain with whom he exchanges taking his place on the old rate of Half-Pay.

The Lieutenants of, and previous to the year 1811, actually serving on Full-Pay in Regiments, who may be desirous of availing themselves of the provisions of this arrangement, will communicate the same through the Commanding officers of their respective Regiments, or Depôts, to the Commander-in-Chief's Military Secretary.

By His Royal Highness
The Commander-in-Chief's Command.
H. TORRENS,
Adjutant General.

MEMORANDUM.

WAR-OFFICE, 30th June, 1827.

CAPTAINS on Half-Pay, who are desirous of becoming Candidates for Regimental Paymasterships, should send their applications to the Secretary at War, accompanied by proper testimonials and references as to Character and Eligibility.

No. 456.

GENERAL ORDER.

HORSE-GUARDS, 24th August, 1827.

HIS MAJESTY being desirous of holding out further encouragement to Officers on Half Pay, to become Settlers in New South Wales and Van Dieman's Land, has been pleased, in reference to the General Orders of the 8th June, 1826, and 16th May, 1827, to command, that the following additional inducements shall be promulgated to the Army, for the information of those Officers who may be disposed to avail themselves of the benefit of this arrangement.

All Officers on Half Pay, who purchased and were reduced, whatever may have been the period of their Service, or Officers on Half Pay who did not purchase, but who, after having served Twenty Years, half of which on Full Pay, have been reduced, or have retired to Half Pay on account of Wounds or impaired Health, shall be exempted from that part of the Regulation contained in the General Order of the 8th June, 1826, which requires the Officer to relinquish one-third of the value of his Commission to the Crown, and shall be allowed to receive the full value of such Commission, in the same manner as Officers on Full Pay, who having purchased their Commissions, or having served Twenty Years, are desirous of selling out for the same object.

His Majesty has further been pleased to command, that this advantage shall be extended to Officers of all ranks, whether on Full Pay, Retired Full Pay, or Half Pay; but that, in the two latter Classes, all Sales shall be subjected to the conditions and restrictions established by the General Order of the 2nd May, 1825, notwithstanding that a large portion of the Officers on Half Pay would be excluded thereby from Sale: and in order that the Government may have full security for the appropriation of the Sums produced by the Sale of Commissions to the intended purpose, it is His Majesty's Command, that the Agent to whom the Purchase Money be paid shall be instructed to retain in his Hands one-third of the Amount in each case, to be paid to the Officer who proposes to emigrate, and who shall have obtained permission to dispose of his Commission, or his Half Pay, with that view, upon his producing to the Agent a Certificate, signed by the Master of the Vessel, that he has engaged his passage on board such Vessel for the purpose of proceeding direct to the Colony.

By His Majesty's Command.
HENRY TORRENS, Adjutant General.
